A new look to an old favorite...

Designers, contractors, specifiers, and property owners alike will appreciate Rockwood's Classic 8[®] Chiseled Face™ retaining wall. With the unique look of hand-chiseled stone, this newest wall appears to have been crafted by stonemasons. Because it's Rockwood, it builds easily, and in less time – without cumbersome and expensive pins or clips. Available in Santa Fe or Gray.

Refer to actual product samples when making color selection.
