Classic Edge®

Classic Edge®

Unit specifications, availability, color, and fascia options vary by manufacturer. Please contact your nearest Rockwood manufacturer or dealer for more information.

Size: 4" H x 2.75" W x 10" L
100mm x 69mm x 250mm

Weight: 9.75 lbs., 4 kg

About the wider base...

Designed to help prevent frost heave, the unique T-Lock base secures each Classic Edge block in place to create the most resilient and permanent edging available. This unique mechanism also makes Classic Edge easy to install so more time is spent enjoying it than building it.

The Advantages of Classic® Edge...

It's Fast...

A unique T-Lock base mechanism secures Classic Edge® into position making it easy to install. Creating unique border and edging curves, the T-Lock base also helps to prevent frost heave in cold environments.

It's Simple...

Weighing only 10 pounds, Classic Edge is as easy to handle, as it is to install. Its size makes it perfect for any weekend project including, but not limited to, a backyard walkway, a border solution, a planter and edging.

It's Strong...

Consisting of high quality concrete, Classic Edge stands up to the elements. Its composition makes it the perfect solution for maintenance-free edging for years to come. Plus, it is resistant to damage caused by lawn equipment that may come in contact with the edging; making it a more permanent and aesthetically pleasing solution to conventional lawn edging.

It's Versatile...

Classic Edge's unique patented design makes it easy to create distinct curves and shapes in any residential or commercial landscape design. Its simplicity makes it an effective solution for any landscape.
